

Snow Much Fun Outdoor Discovery Tour

Throughout the months of January and February, Visit Muskegon invites you to discover what winter wonders await you and your family. Visit www.visitmuskegon.org to download our "Snow Much Fun Outdoor Discovery Tour" map filled with winter activities, adventures and scenic snowy stops. Check-in with a photo on Facebook and the hashtag #SnowMuchFunInMuskegon. Not only will you have "snow much fun" while you explore Muskegon County, but you will also be entered to win great prizes! Weekly giveaways include gift cards, gift baskets, tours and swag!

How To Participate:

-  Snap a photo of one of the designated stops or suggested activities listed on the map. Share the photo on Facebook with the hashtag #SnowMuchFunInMuskegon. Make sure the setting is "public" so we can find your post. The more stops and activities you share, the more entries you receive!!
-  Send one Facebook message to Visit Muskegon; simply say "Snow Much Fun" (this way we can contact you if you are a winner!) Entries will be collected and numbered in a Visit Muskegon photo album.
-  Every Friday between Jan 8 - Feb 26, 2021 Visit Muskegon will use Random.org to choose a number from the album of collected photos (the more photos you share, the more chances you have to win!).
-  Once a photo is selected as a winner it may not qualify for further prizes. However the same entrant may win with a different photo(s) If a prize is not claimed within 5 days, it will be added to the next week's drawing.

Make sure to visit or support these participating sponsors in your adventures!
